

The Latest Writing Contest Winners Fourth Quarter

Here's what you've been waiting for! Our latest winners of our Spring Quarter Contest are...

1st Place

"Invisible Heart" by Natasha M. Heck

2nd Place

"Silent Moon" by Taylor Johnson

3rd Place

"Labels" by Kiki Watts

Here's the winning entry in its entirety. Look for our next contest in three months! Look for our writing guidelines on our website and see how you can win! We encourage all entrants to keep doing their best! Writers need to brace themselves when taking risks, which is all the time! We want to help make those risks worthwhile and help get your name out there!

Invisible Heart

I do not see the sun anymore
only red light that
shines over the naked trees
making the branches look
like veins touching an
invisible heart
and it makes me truly see
Earth as larger
more important
like seeing a parent
as more than just a parent
but as a human being
and it makes me think
that there is so much
more I could be
taking for granted.
